

MYSTICAL HEART RETREAT

A Shamanic Journey
of Awakening

MAUI
JULY 7 — 14, 2018

**WITH AMARA "KEEPS THE FIRE" CHARLES
AND GREG "MAGICK" BERNSTEIN**

What if your fears and blocks are actually calls of Spirit telling you to listen to your heart?

Becoming a clear vessel of awareness is not something that happens by reading a book, or doing an exercise. It is a dropping away of thoughts, perhaps picking up petals of insight that fall like leaves from a tree hoping you will notice.

UNCONDITIONAL LOVE

The panacea that heals all wounds, restores our naturalness, and imbues us with pure connection with spirit and inner guidance. Ask any philosopher, therapist, shaman or elder about what every human needs at the most fundamental layers of existence and you will hear one thing — love.

This Maui retreat is a communion with the sublime heart of nature where spontaneous glimpses of beauty appear as gifts to light your way. From the quiet wellspring of your heart, you will experience the preciousness of each unfolding moment.

A DEEP DIVE SHAMANIC IMMERSION

This Mystical Heart Retreat is a deep-dive, shamanic immersion into the awakened world of merging with and loving everything equally. Our undivided self marries the spirit realm of the as above and the earthly realm of the so below. This is the crack between the worlds that reveals our true nature as magical mysterious beings. When one is fully immersed in the unconditional love of the mystical heart, all worry, fear, doubts and separations resolve and return to undivided naturalness.

A RARE TRANSMISSION

To love oneself fully is the end goal of almost any transformational experience. Yet few have the roadmaps, strategy or actual guidance to actually achieve this. That's because love that isn't about craving, preferences or approval must be experienced by you. It cannot be reduced to language; it is the infinity of all that is or ever will be.

WHERE DIVINITY AND HUMANITY MEET

Ultimately, the Mystical Heart is experienced as love, light, nothingness and everything that is. It is the place where divinity and humanity meet as one.

The Mystical Heart Retreat is a journey of a lifetime, as we embark together to awaken who we truly are. It's about loving all that is and releasing the illusions of all we are not.
