

MYSTICAL HEART RETREAT
A Shamanic Journey of Awakening
JULY 7-14, 2018

MAUI

Maui is one of the most active and high vibrational power places in the world. In addition to the overall power of the Island, there are unique, individual vortex sites all over the Island that amplify and accelerate all awakening, change and transformation. They are found all across and around the Islands in the form of magical waterfalls, healing beaches, ancient forests, mystical pools, mysterious caves and other sacred sites of potent and concentrated energy. Also, many experience the Islands as a powerful teacher and ally and some even experience Lemuria and / or ancient Hawaiians working with them in the sacred sites. Hawaii changes people's lives! Maui is the home of enormous volcano Haleakala, which some say is the most active and powerful vortex of transformation on the planet at this time. Its known as "the Island of Instant Manifestation." Maui changes people's lives!

WHAT HAPPENS ON THE RETREAT

On these retreats, people often experience awakenings, oneness, downloads, catharsis, epiphanies, miraculous healings, divinity, higher self and other realms. Healing and transformation can happen in any area of your life and typically occurs in the one you have never been able to transform. Knowing your true nature, unconditional self love, self realization as God, health, relationships, ease of life, connection to higher self and even wealth can completely change in an instant, literally. Whether you are moving into mastery or retreating for the first time, the wisdom teachings on this unique experiential retreat will meet you exactly where you are with precisely what you need. Participants visit these powerful sacred sites and vortexes most days and in these sites the veils between all possible realities are thinner. Therefore, awakening and transformational miracles occur regularly!

ACCOMMODATIONS

The retreat takes place at an exclusive private retreat center in the rainforest jungles of the north shore of Maui. The facility is on many beautiful acres the Hawaiians describe as having powerful “mana,” or spiritual power. There is a waterfall that is over a hundred feet tall and at certain times you can safely swim in the infinity edge pool at the top. The retreat center is a secluded private sanctuary off the beaten path in a sacred part of Maui.

OTHER ARRIVAL & DEPARTURE INFORMATION

Retreat closes: Saturday July 14th at a time to be determined. Typically, we end in early afternoon. Please book departure for as late in the afternoon as possible just in case we end later.

The retreat facilities are not available for additional days. We sometimes have a list of reasonable accommodations, available by request, so let us know if you would like that information.

WHAT TO BRING

It's the perfect time of year to be on Maui. The weather is typically sunny and beautiful! Bring casual attire for both warm and cool weather. It's typically warm and can sometimes be cool, depending on the day, and often cooler at night. Layers are best. We will e-mail a list of essential items to bring about 30 days prior to retreat. Most of the things on the list are common sense items such as sunscreen, hat, shorts etc... However, Maui is one of the most diversified places on earth and has a variety of climates and temperature ranges depending on time of day, elevation and weather pattern. We strongly advise being prepared for all kinds of weather conditions.

TRANSPORTATION

This retreat is all inclusive except transportation to and from Maui as well as while you are on the island. Make your arrangements to fly into the Kahului airport, which is about 15 minutes from the retreat center. We highly suggest you make your travel reservations early as Maui tends to be very booked this time of year.
